all apartments

3 minutes
from the beach

Close to all around

Choose your way to reboot

Focusing on the game - next to some of the best golf courses in the world. Scenic hikes - several picturesque routes of varying difficulty begin in the city and wind through the Sierra de Mijas mountain range.

Exploration of the underwater world - diving along the Costa del Sol coastline is one of the favorite activities here.

Solitude with the sea - professional yacht clubs help experience the romance of the open sea.

36 apartments private complex in excellent location

is a comfortable residential complex in a beautiful location in El Chaparral, Mijas. There are only 36 apartments in the complex, so it will be the best guarantee of your privacy and tranquility. All apartments have a wonderful view of the sea. The Rayos del Sol infrastructure includes everything you need for a comfortable life: a safe area, natural and designer landscaping, adult and children's pools, a gym, a golf course, pétanque, a playground.

Block 2

Main entrance

Swimming pool

Block 1

Children's pool

Golf course

Petanque field

Gym

Playground

Calle Aralia

Everything
you need in the
infrastructure
of the complex

2 swimming pools for children and adult

Take a plunge into the pool,
designed for both adults and
children. And the most delightful part
is that it's just a few steps from
'leaving the apartment' to 'feeling
the coolness of the water.'

Gym with a panoramic view

Exercise with a direct view of the sea right from the gym, it's also a way to relax. Not for the body, of course, but definitely for the mind. Give free rein to new ideas.

Golf course

Engage in a game of petanque to spend time as a true appreciator of the slow living lifestyle or test your accuracy during a game of golf. All of this is located on the complex's territory, making such leisure activities available at any time.

Petanque field

Playground for children

Children will always have
something to do in the yard.
A very safe and fun play area.

Quality repairs in each apartment:

- a kitchen with quality appliances and a washing machine is already installed
- fully equipped bathroom with sanitary ware and bathtub
- wardrobes are installed
- The floor, walls, ceiling are completely ready
