Legendary golf, in an exciting new era

Surrounding what was once the home of the Domecq Family, the San Roque Golf Club is a golfing institution with an impressive hosting record of high-profile championship events. At the centre of the club is the magnificent Domecq mansion that oozes character and history.

The club first opened in 1991 with the Old Course designed by Dave Thomas. This legendary course is steeped in history, hosting 15 European Tours from 1993-2007 and the Spanish Open in 2005.

In 2003, the New Course was born. This course designed by Perry Dye and Seve Ballesteros is a perfect contrast to the Old with variety of challenges and some dramatic mountain and ocean vistas.

Together, there are now 36 holes to enjoy at the San Roque Club, appreciated by both amateur and professional golf enthusiasts.

There is an exciting future ahead for the club with a recent multi-million-euro renovation of all club facilities completed in 2021, The San Roque Club once again can be considered one of the best golf courses in Europe.

The homes at Adel are perfectly positioned frontline to the Old Course. There has never been a better time to join the club!
