

Now is the moment

El Hondo

Natural park

The natural park of El Hondo is a Spanish protected natural area located in the region of Bajo Vinalopó and Dolores in the region of Vega Baja del Segura.

Dolores

Costa Blanca

Have you finally decided to live in Spain? That's great news! And we can only congratulate you. In Dolores? Of course. A typical Spanish town where you can find everything you need for a happy life.

Here, there is always something to do: enjoy beautiful evenings with friends, shop at a typical Spanish market, ride a bike through the fields, enjoy the famous traditional "Fiestas", go shopping at Zenia Boulevard, Habaneras or L 'Aljub, or simply enjoy a beer or a coffee in the many terraces in Dolores.

Sun and relaxation, sun and relaxation. This is the Best.

Are You ready?

A full-page background image showing a couple walking away from the viewer on a beach at sunset. The man is on the right, wearing a grey long-sleeved shirt and khaki pants, with his arm around the woman's shoulder. The woman is on the left, wearing a light blue long-sleeved shirt and khaki pants. They are walking on the wet sand, and their reflections are visible in the shallow water. The sky is a mix of orange, yellow, and blue, with some clouds. The ocean is in the background with small waves.

 is a wonderful, luxurious and great house complex... I could keep going, but you already know it. Because at the end... everyone says the same. But, what is so special about our houses? Firstly, our company does everything, from building them to sell them. We are responsible of the 100% of the process. Secondly, there are no companies which have an

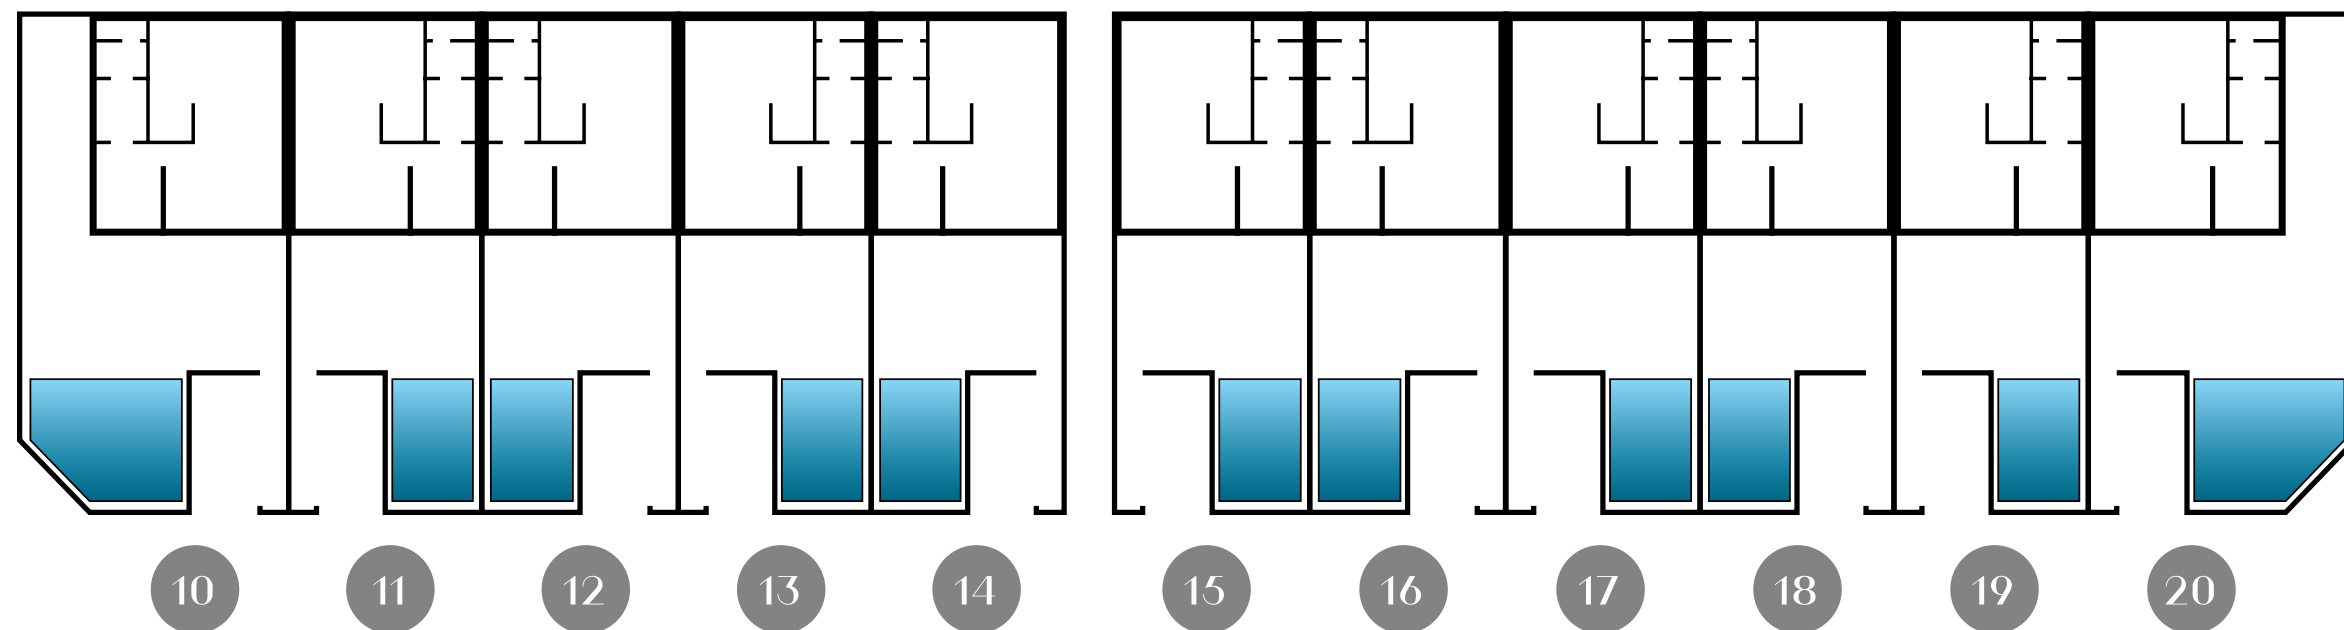

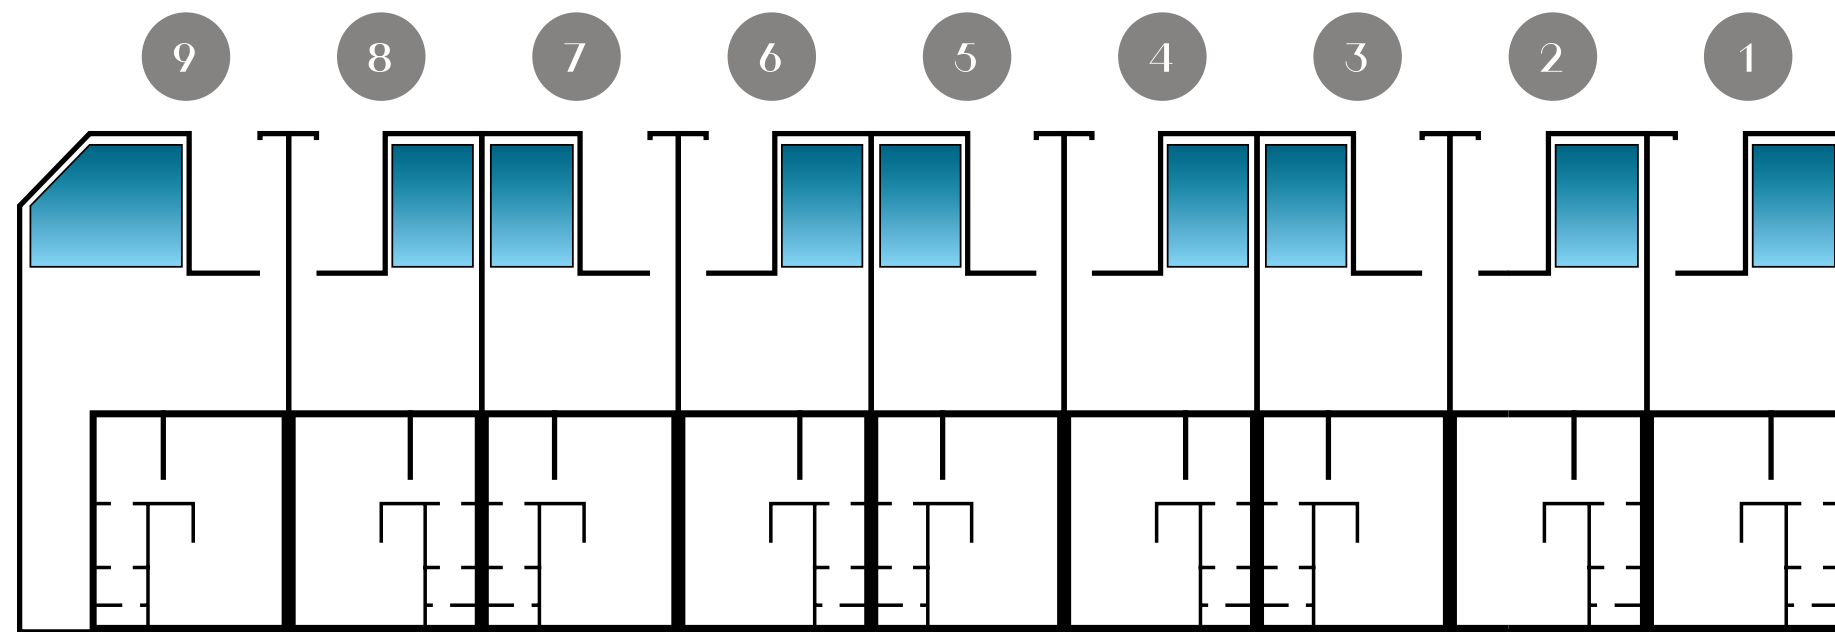

after-sales service as effective as ours. We not only accompany you during the selling process but we are also with you afterwards, as much as you want. Finally, we know that you all don't want the same, so we help you to personalise and adapt the houses to your own needs. Because if someone wants pink walls and 8 bathrooms, we'll help you choose the taps.

You deserve it

15 minutes Guardamar beaches

21° de average anual temperature

320 sunny days a year
